THE CHAKRA LOUNGE STORY

Chakra Lounge was born from a dream, to bring the warmth of Indian hospitality to the heart of Buxton. Inspired by the spirit of Seva—selfless service; we built a space where people could slow down, connect, and feel at home. From those early days, our family has quietly grown, now reaching Sheffield, Bakewell, and beyond. Each dish we serve carries our story, and every smile is a reminder of why we began. So take a breath, settle in—Aaram Se.

You are among family here.
